**THE JOKER?**  
Dr. Kleinerman says Botox could be to blame for 48-year-old Mary-Louise Parker's strained smile.

Overly smooth & shiny!

**9021-UH-OH**  
Looks like Jennie Garth, 40, has been trying to turn back the clock following her divorce from Peter Facinelli — with heavy-handed Botox injections.

**IMMACULATE COMPLEXION**

At 54, Madonna still looks like a Material Girl — thanks to “a cheek lift, brow lift and Botox,” says Dr. Diamond, who warns her cheeks are “oddly shaped.”

No laugh lines!

**SURREAL HOUSEWIFE**  
Taylor Armstrong, 41, is a victim of “obvious overfill,” says Beverly Hills facial plastic surgeon Dr. Robert Kotler. “And her lips look too plump for her face.”
